FEATURES

6 MY FRIEND, ELIN *Shannon Murray*

I think to myself, “Wow, what a cool transcendental experience I just had.” Then I clearly hear a new voice: “No, my dear, that wasn’t *your* vision, those were *my* memories.”

9 WHISPERED WISDOM *Sandra Kynes*

Trees speak to us in many ways. Sometimes their messages can seem obvious, but clear communication only occurs when we are consciously open to their energy.

12 BLESSINGS OF THE ELDER *Danu Forest*

Look to the Spirit of the Forest, and you see once again this rolling balance between the individual and the collective: each facet an integral part of the whole.

15 TREES ARE OUR FRIENDS *Sofia Karin Axelsson*

I have spent the better part of my life on the hot humid coast, or in the foggy wet mountains of the eastern U.S., and the desert world of this visit was truly new to me.

17 SONG OF THE DESERT TREE *Ginger Hollingsworth-Cox*

If you don’t know where to start on a journey, if you are confused or feel lost in a strange land, I suggest that you begin a conversation with a tree. They always know just what to say.

19 BECOMING A TREE PRIESTESS *Kathryn Ravenwood*

“You come here apologize to this tree,” I demanded, my voice quivering with righteous anger. “You have made her bleed.”

22 LADY OF THE SYCAMORE *Llyn Roberts*

As we settle our minds and open our hearts, nourishing energy will flow from us like the waters of the goddess’s sacred tree: it is a natural force of love.

28 SHE IS A TREE OF LIFE *Jill Hammer*

Trees are our companions, a Jewish legend says. Their grounded wisdom gives me comfort as I walk upon the earth.
