

SageWoman

Celebrating the Goddess in Every Woman

NO. 68

GODDESS VIRTUES:
GRATITUDE

FEATURES

6 GIVING BACK *Edie Dillon*

A too-close encounter with the sea and an unexpected gift yields a meditation on the nature of fate and reciprocity.

8 BLESSINGS GIVEN AND NOT YET BESTOWED

Leanne M. Schmidt

The realization that I could pray like this, not in supplication but in gratitude, became a gentle wave, washing away my fear.

11 CRONING GLORY *Smoky Trudeau*

It's true. We *do* love our hot flashes. Each one is cherished as a rite of passage, an invitation from the Goddess to join Her as crone, a woman of wisdom.

17 LESSONS FROM KALI *Heather Lee Maree*

On a cold dark night, a rabbit robed in black fur was delivered to our door. Her arrival spurred many questions.

20 GRATITUDE IN THE LAND OF MILK & HONEY

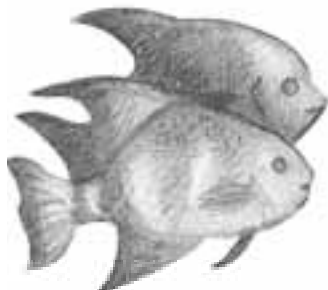

Lauren Sinnott

Unless our fortune is contrasted with something tragic, we can get used to it, even forget it.

25 BRIGIT'S CAULDRON: FULL OF BLESSINGS

Christine Thomas

I asked Brigit how I could make her more present in my life. She told me to light a candle for her every day for three months.
